

SECURITY RECALL

In cooperation with the US Coast Guard

Elie Strait kayaks VOLUNTARY RECALL

KJR12 and KJR14 Models

**STRAIT 120, STRAIT 120XE and
STRAIT 140, STRAIT 140XE**

These kayaks have a potential weakness in the keel assembly. This weakness may create cracks in the hull which may lead to hull leaks and affect the buoyancy.

Concerned product serial numbers (HIN) starts with ZEP and ends with D313 to L313, 314, 414, 415, and 515.

HIN: The hull identification number is a unique serial number comprised of 12 characters. It is located on the starboard (right) side of the hull, next to the stern.

Stop using the kayak and follow the instructions located on the web at

www.eliesport.com

to obtain a free replacement kayak or
